Motorcycle Operator Safety Training

Attestation of:

Professional Development Workshop (PDW)

Per section 10.3.10 of MOST Rules and Regulations: Failing to attend the required minimum of one (1) PDW per year without written approval of exemption secured in advance of the PDW from the MOST Program Office.

Have you completed the required PDW for this certification period? YES NO

Please list in detail the PDW that you completed and the completion date.

If the required PDW has not been completed yet, you can still submit your application. Certification expires on the last day of February, so you have until then to submit. Once the PDW is complete send the information to the MOST Program Coordinator. The application will not be approved until the required documentation has been presented to the MOST Program Coordinator.
